“ Charlotte was a very good friend to my momma, Wanda Cinnamon, before my momma passed. She shared many fond memories of their friendship and good times many years ago. Michelle, I don't know if you remember us, but I spent a lot of time with your family growing up. I remember you just as a baby. I am so sorry to hear of Charlottes passing. You and your family will be in my prayers. I have a pony tail with a blue ribbon tied around it, it was the first time my hair was cut as a little girl and your momma cut it. Much love to you.
