“ Precious Family, We are all so heartbroken by the pain Dinah’s passing has left here on earth ,but rejoice in Who’s presence she was in before her eye’s even closed. To say she will be missed is an understatement, she was always part of our lives at Gravelly Church and during our school years. I pray God continues to pour His blessings upon you and keeps giving you those wonderful memories until we, who are in Christ, are reunited with Him, Dinah, and all of our loved ones in Christ, where there is no more parting. May God hold each of you as you learn to breath and stand again, may His Peace fill your hearts and homes. Father during their seasons of firsts, hold them real tight, whisper in their ears that You are right there, then in Your time-turn their sorrow into joy and their tears into laughter once more, because You are the One who can make this heartache into something beautiful. Father thank You for this family which we love but You love more. Also Father forgive us of our sins and heal our land so we can get back to ministering to those who are hurting and those who are lost, I ask all of this in Jesus name. All our love to each of you until God allows us to be together again stay well, stay safe and know we are praying for you and love you all very much. “ To Harold and the entire family, I want you to know how shocked and sorry I am to hear of Dinah’s sudden death. When I saw her last she looked so good and as always had that sweet smile on her face. I have so many wonderful memories of our days together at Gravelly Baptist, especially when our children were small. I’ll never forget how comforting it was to me that you all were with me at the restaurant the night Perry died. Your friendship will always be cherished. I’m sorry that this happened when our lives are in a mess because of Coronavirus. I know it makes it harder on your family. If there’s anything I can do for any of you, please let me know. You will all be in my prayers. - Dana
