“ I am sorry for your loss. Mildred and I worked together for several years during her time with the contractors at Eastman. She is a lovely lady and great friend who I loved. She was very intelligent and could discuss any topic with ease. I think of her often and remember the good times we had together. God Bless All of You.

“ I got to know Mildred while working with her at Walmart. She was always caring and understanding. Never a harsh word about anything and so full of life. She was a second mommy to me and I could always talk to her about anything. She will be missed by so many including myself. Enjoy your home in heaven you have earned it. “ Share a memory...there are so many to choose from. I knew Mil for 46 years. I remember when she first moved next door and with her were 5 little "rug rats". Vanessa, Delona, Misty, Sonny Jr. and Greg. I was lucky to be fostered into the family by Mil as the "big brother. A role that I have cherished all these years. Under Mil's guidance her children grew up to be fine men and women. Mil's dedication to her family had her working in jobs that many men would not do in-order to provide for her kids. Her dedication and love for her family continued to her grand children and great grandchildren. In the past few years, Vanessa, Greg and Sonny Jr. departed the family and entered the kingdom of Heaven. I know that they were at the gates waiting to welcome their mom home.... as were those who have gone on before. As I told Mil's sister, Sharon: " St. Peter is going to have to go to the party that the family will be having for the next several weeks to tell them to tone it down." Mil you were an angel on earth and have earned your angel wings up high. I will miss you.
