“ Aunt Barbara loves and misses you so much sweetheart. I want to call you just to hear your voice. I miss all the long talks and hugs and kisses we shared. My life will never be the same cause you are not here with me. Sweetheart always remember I love you so much and I will see you one day soon and what a joyous day that will be.

“ Aunt Glenda will always love you, Sweetheart! You had a rough life and it was not always easy - being raised by two different people and three including Aunt Barbara. Your Granny is so happy I know to see you finally. I am so sorry your life was cut short but, Sweetie, you had gone through way too much in the last couple years. I don't know how in the world you did it. I want you to know I hate that you're gone from our presence but healed, whole and in joy,happiness and beauty you've never known! You are in the presence of our Lord and Savior and I know he is wrapping you in his arms and kissing your forehead! I can see it now! I love you and so glad you are with our loved ones and we will all join you someday when the Lord calls us home. I want you to know John and I have always loved you and always will.

“ Still can't believe you're gone. My heart breaks we had been friends 30 years. Laughed cried and had good time memories. I could talk to you about anything. I'm glad you are not suffering and rejoicing now. You will always be in my heart forever. I will see you again on that golden glorious shore. Love always, Rhonda

“ Pat, my heart breaks with you, Honey. But, we prayed for God to heal her and if not to take her out of her pain and bondage she's been in the last couple years. He chose to take her home and that's the best place she could ever be - happier than ever and free from all the trials of this earth. I love you, Sis!

“ My thoughts and prayers are with your family. I went to school with her and we worked together at Big Lots. She was always smiling and full of life. She's at peace now and no pain. May God Guide you and protect the family during this difficult time .
